

Mobile Hotspot Policy

- One Mobile Hotspot per household at a time. Hotspots check out for 21 days. Hotspots may be renewed once if no one is waiting.
- You can connect multiple Wi-Fi enabled devices to a Hotspot at one time. This includes laptops, cellphones, tablets, gaming systems, printers and more. Connecting multiple devices may slow your connection.
- Each Hotspot comes with a case, charger, USB cable, and directions for use.
- Coverage depends on the US Cellular or Verizon networks; location of the Hotspot and congestion of the network may affect your experience using a Hotspot.
- Hotspots are available for checkout by an adult with a Central Virginia Regional Library card in good standing.
- Hotspots must be checked out from and returned to the Buckingham County Public Library.
- Overdue Mobile Hotspots will be disabled within three days and will be considered lost/stolen.
- Use of the Hotspot is subject to the terms of the Central Virginia Regional Library Internet Policy.
- Parents/guardians are responsible for the use of the Hotspot by minors.
- Hotspots are filtered to comply with the Children's Internet Protection Act. It is the user's responsibility to use the Hotspot in a responsible manner and not for any unauthorized or illegal purposes.
- Any attempt to alter data or the configuration of the Hotspot is strictly prohibited and may be considered an act of vandalism subject to full replacement cost.
- The library reserves the right to take away privileges for the checkout of items if these guidelines are not followed.

Disclaimer

- Central Virginia Regional Library is not responsible for personal information shared over the Internet or for information and websites accessed using the device, or any misuse, harm or any other result due to the use of the Hotspot.
