You can print emails, documents, photos, boarding passes, web pages, and more. Print directly from a library computer or use your smartphone, tablet, laptop, or home computer to send a mobile print request.

- Black and white prints are 10₵ per page
- Color prints are 25₵ per page
- Copies must be picked up within 72 hours of sending

There are three ways to send a mobile print request.

1. Mobile or tablet device

1. Scan the QR code located near the printer or open **print.princh.com**
2. Enter the printer ID located near the printer (you can skip this step if you scanned the QR code)
3. Upload your documents
4. Choose your print settings
5. Pay using the coin-op machine
6. Take your print job from the printer

Buckingham **ID Number 108487**	**Cumberland** **ID Number 108488**	**Farmville** **ID Number 108486**
108487	108488	108486

2. Using Mobile App

1. Install the Princh app for iSO/Android **Download iOS app.**   **Download Android app.**
2. Open your document and share it with the Princh app
3. Select the printer by scanning the QR code and adjust your settings
4. Pay using the coin-op machine

If you cannot or do not wish to install the mobile app, simple scan the QR code above with your device's camera and follow the instructions on the screen.

3. Forward from your email account

Use your library's black and white or color mobile printing email address below to print directly from your email account. Using this method sends a print request for the body of the email message and a separate print request for attachments.
